Hayden Wilson fully joined Revolution Partners in June 2025 after successfully passing the Series 65 licensing exam.

Wilson has always had an interest in the finance industry. He opened his first retirement account when he was thirteen years old while working on a farm after school. Personal finance classes in high school solidified his passion for working with people one-on-one as a career. This led him to study finance at the University of Tennessee at Martin. He is passionate about helping people understand their financial needs, budgeting, and problem-solving to plan their future accordingly.

He is a native of Union City, TN. Wilson holds a bachelor's degree in business administration with a focus in finance from the College of Business and Global Affairs at the University of Tennessee at Martin.

Wilson enjoys playing tennis, vinyl hunting at local record shops, watching movies at the local AMC, and adventuring with his friends to local coffee shops. Hayden and his dog, Maverick, currently reside outside the Nashville area.
